

R&D and Government Incentives Services in Greece

Maximising the benefits

Deloitte assists companies in matching their Investment, R&D and Innovation plans with current and future opportunities in Greece and the EU. Our turn-key services include consulting and technical support needed to maximising the benefits of the incentives.

Who can benefit?

Companies who:

- Are engaging in an investment plan in terms of:
 - technology or process development projects
 - expanding their operations or invest in capital purchases
 - creating new innovative products / services.
- Any company claiming incentives that struggles to track and report qualifying expenditures or dealing with authorities.

Why Now?

- The current situation in Greece, as a result of the Greek state's efforts to stimulate growth, has led to the creation of an extraordinary opportunity-rich terrain.
- The Greek government has adopted a proactive role in charting a determined course for Greece that is friendly to investment, promotes growth, and welcomes new business.
