

German Desk Croatia

Who are we?

Deloitte is a leading global organisation for professional audit, tax, business consultancy and financial advisory services. Our firm is uniquely positioned on the market thanks to the scale, scope, and multidisciplinary capabilities necessary to address the most complex business challenges. Deloitte's office in Zagreb has more than 170 local practitioners and specialists from abroad.

Over the 19 years of our presence on the Croatian market we have managed to position ourselves as market leaders in audit and tax advisory services. Our client base includes many customers from German-speaking countries who are served by our experienced, German speaking audit and tax advisory professionals.

What can we do for you?

Investing in Croatian enterprises or business ventures can be a tough undertaking. Different local circumstances in the country and the language barrier are only some of the potential issues surrounding foreign investments.

Deloitte offers consultancy services in German locally to enable building a close cooperation right on the spot. Our professionals with German language skills are available to assist you and your colleagues regardless of the complexity of the issue at hand.

Our services

Even if you are already present in Croatia, we are certain that you can benefit from the many years of our professional experience.

The services we offer comprise advice and consultancy services in complex areas such as:

- audit and business advisory
- advice on all types of direct and indirect taxes and various tax issues (corporate income tax, personal income tax, value-added tax, etc.)
- accounting and bookkeeping
- financial advisory
- risk management

Why Deloitte?

Our multidimensional capabilities and collaborative culture enable a 360-degree approach that helps us deliver comprehensive solutions to our clients and contribute to their growth. We believe it is the Deloitte difference. By applying this approach on a daily basis, we help our clients to add value to their operations. In our multidisciplinary approach, we always tailor our services to the specific needs of our customers.
