ETP (Executive Training Programme)

We would like to raise your attention to **the participation in the European Commission funded and financed initiative, the ETP (Executive Training Programme)**, which is – for the third time – open from next year. **In Hungary, Deloitte Zrt. is responsible for the recruitment and coordination of the ETP.**

The Executive Training Programme has been helping European companies to **succeed in the Japanese and South Korean markets** by providing a 45-week intensive training programme for their executives. The Programme is organized partly in London and partly in Japan/Korea and consists of an **intensive language and business training** as well as 12 weeks of internship at a local company. **ETP is available for companies operating in any industry. Most of the costs are covered by the EU Commission.**

Minimum requirements for EU executives:

- Be a citizen of one of the Member States of the European Union
- Be employed by a sponsoring company since at least 1 year
- Demonstrate an excellent command of English
- Have not previously participated in the ETP
- Either have (a) a university degree of B.A. level + 3 years of professional experience as an executive or (b) 2 years of higher education + 5 years of professional experience as an executive

The application deadline is 15 May 2014. Should you have any interest or questions regarding the Programme, please do not hesitate to contact Dorina Dobos (ddobos@deloittece.com, +36 1 428 6462) or visit the website of ETP (<http://www.euetp.eu>) where you will find detailed information about the Programme and the application.
