

Energy & Resources Regulations Update

The Summary of the New Energy & Resources Regulations

The following is a list of the new energy & resources regulations. All regulations are available in Indonesian.

New Energy & Resources Regulations

1. Regulation : [Permendag 74/2019](#)
Date : 25 September 2019
Regarding : Penetapan harga patokan ekspor atas produk pertambangan yang dikenakan bea keluar
(Determination of benchmark export prices for mining products subject to export duty)

Summary

Minister of Energy and Resources Regulation Number 74 year 2019 covers the determination of benchmark export prices for mining products subject to export duty. The regulation stipulates the export price based on the highest average price in international exchanges, FOB (Free On Board), and the highest average price that applies in the domestic market or the highest average price in the last month before the stipulation of the benchmark export price from the importing country from which the mining products come. The benchmark export price

in the regulation includes the product's description and its tariff in USD/WE unit. This regulation revokes Minister of Energy and Resources Regulation Number 68 year 2019 and is in force since 1 October 2019 until 31 October 2019.

2. Regulation : [**Permen ESDM 14/2019**](#)

Date : 16 September 2019

Regarding : Perubahan atas Peraturan Menteri Energi dan Sumber Daya Mineral Nomor 58 tahun 2017 tentang harga jual gas bumi melalui pipa pada kegiatan usaha hilir minyak dan gas bumi

(Amendment of Minister of Energy and Resources Number 58 year 2017 concerning selling price of natural gas through pipelines in downstream oil and gas business activities)

Summary

Minister of Energy and Resources Regulation Number 14 year 2019 regulates the amendment of Minister of Energy and Resources Number 58 year 2017 concerning the selling price of natural gas through pipelines in downstream oil and gas business activities. This regulation amended the paragraph 4 in Article 5 from Minister of Energy and Resources Number 58 year 2017 regarding the economic life of a project. The regulation will be in force on 1 January 2020.

3. Regulation : [**Permen ESDM 13/2019**](#)

Date : 2 September 2019

Regarding : Perubahan atas Peraturan Menteri Energi dan Sumber Daya Mineral Nomor 49 tahun 2018 tentang penggunaan sistem pembangkit listrik tenaga surya atap oleh konsumen PT Perusahaan Listrik Negara (Persero)

(Amendment of Minister of Energy and Resources Number 49 year 2018 concerning the use of rooftop solar power generation system by consumers of PT Perusahaan Listrik Negara (Persero))

Summary

Minister of Energy and Resources Regulation Number 13 year 2019 is the amendment of Minister of Energy and Resources Number 48 year 2018 concerning the use of rooftop solar power generation system by consumers of PT Perusahaan Listrik Negara (Persero). The regulation amended the provisions in Article 8 regarding the construction and installation of rooftop solar power generation system, Article 11 regarding commissioning certificate (SLO) for operation, and a new article between Article 16 and Article 17, namely Article 16A. This regulation is in force since 6 September 2019.

4. Regulation : [Permen ESDM 12/2019](#)
Date : 2 September 2019
Regarding : Kapasitas pembangkit tenaga listrik untuk kepentingan sendiri yang dilaksanakan berdasarkan izin operasi
(Capacity of power plant for private interest that conducted based on an operating license)

Summary

Minister of Energy and Resources Regulation Number 12 year 2019 regulates the capacity of power plant for private interest that conducted based on an operating license. This regulation contains provisions regarding management of the power plant capacity for private interest, transitional provisions, and other provisions. The regulation is in force since 6 September 2019.

5. Regulation : [Permen ESDM 11/2019](#)
Date : 28 August 2019
Regarding : Perubahan kedua atas Peraturan Menteri Energi dan Sumber Daya Mineral Nomor 25 tahun 2018 tentang perusahaan pertambangan mineral dan batubara
(Second amendment of Minister of Energy and Resources Number 25 year 2018 concerning mineral and coal mining business operations)

Summary

Minister of Energy and Resources Regulation Number 11 year 2019 is the second amendment of Minister of Energy and Resources Number 25 year 2018 concerning mineral and coal mining business operations. This regulation amended Article 46 regarding bauxite selling and a new article between Article 62 and Article 63, namely Article 62A, regarding the recommendation from director general for nickel selling. The regulation will be in force in 1 January 2020.

6. Regulation : [Permendag 68/2019](#)
Date : 26 August 2019
Regarding : Penetapan harga patokan ekspor atas produk pertambangan yang dikenakan bea keluar
(Determination of benchmark export prices for mining products subject to export duty)

Summary

Minister of Energy and Resources Regulation Number 68 year 2019 covers the determination of benchmark export prices for mining products subject to export duty. The regulation stipulates the export price based on the highest average price in international exchanges, FOB (Free On Board), and the highest average price that applies in the domestic market or the highest average price in the last month before the stipulation of the benchmark export price from the importing country from which the mining products come. The benchmark export price in the regulation includes the product's description and its tariff in USD/WE unit. This regulation is in force since 1 September 2019 until 30 September 2019.

7. Regulation : [Permen ESDM 10/2019](#)
Date : 21 August 2019
Regarding : Tata cara penyusunan rencana usaha penyediaan tenaga listrik
(Procedure for the preparation of the business plan for electricity supply)

Summary

Minister of Energy and Resources Regulation Number 10 year 2019 regulates the procedure for the preparation of the business plan for electricity supply. This regulation covers the general provisions regarding the preparation of the business plan for electricity supply, provisions for reporting, developing and supervising the business plan, administrative sanctions, transitional provisions, and other provisions. The regulation is in force since 30 August 2019.
