### Technical Instructions for Management of Registration of Financial Institutions and Management of Automatic Reporting of Financial Information

The Director General of Tax (“DGT”) has issued Circular Number SE-07/PJ/2018 (“SE-07”) concerning management of registration of Financial Institutions and management of automatic reporting of financial information. SE-07 is a guidance related to the implementation of PER-04/PJ/2018 and PMK 19/PMK.03/2018 (please refer to March 2018 Tax Info edition).

SE-07 provides information on procedures for registration, changes, and revocation relating to Financial Institutions, which may be done in several ways, as follows: (1) online through the Exchange of Information Portal, (2) directly to the tax office where the taxpayer is registered (KPP/KP2KP), or (3) through post, a freight forwarding company, or a courier service company. A KPP may perform registration of a Financial Institution ex officio if the Financial Institution has not registered itself even after the tax office provides it with guidance and assistance. Automatic reporting of financial information may be done online or directly to a KPP or KP2KP.

SE-07 also contains information about oversight of registration of Financial Institutions and oversight of automatic reporting of financial information which is conducted by KPP and by other agencies of the DGT.
