

# GOV LAB

Deloitte GovLab will facilitate an immersive workshop, taking you through the innovation by design process, to help you to articulate and devise innovative solutions to your biggest problems.

## ONCE-OFF LABS

## STRATEGY SETTING

Deloitte GovLab will work with you to set your innovation strategy, define your innovation roadmap and establish the building blocks for successful innovation

Deloitte GovLab will deliver or design virtual or face-to-face training to your staff on innovation topics relevant to your organisation.

## INNOVATION TRAINING

## INNOVATION HACKATHONS

Deloitte GovLab will plan and design an innovation hackathon for your staff or stakeholders to develop concepts to address a challenge you present.

Deloitte GovLab will design an innovation unit, or organisation "on the edge", to drive innovation in your organisation.

## INNOVATION UNIT SET-UP

## GUIDED INNOVATION JOURNEY

Deloitte GovLab will provide the framework, coaching and guidance to your project team to help them to devise and execute an innovative solution.

## DESIGN, BUILD AND LAUNCH

Deloitte GovLab will apply our innovation by design methodology to your challenge and work through to pilot. Our specialist expertise in new technologies and operating models may form the solution.
