

## Deloitte Alumni Valued Invitation - January 2017

Dear Alums,

In my first message of 2017, I would like to start by wishing you all a very happy & prosperous new year! I hope that in this new year, we all make mistakes. Because if we are making mistakes, then we are trying new things, learning, living, pushing ourselves, changing ourselves, changing our world. We're doing things we've never done before, and more importantly, we're doing something.

It is often said that there is no better gift than the gift of knowledge. And this is what I have for you - a series of webcasts.

We have organised industry sessions on 3 February 2017 to discuss in detail **the impact of the Union Budget** on various industries.

Union Budget 2017 is expected to be game-changing. In each of these sessions will discuss general topics like:

- How will the Union Budget impact industries?
- How will the industries be benefited?
- What will be the likely issues?
- What will be the implications arising out of the Union Budget?
