Ajay Minocha

I joined as EA to Ajay Minocha in 2010 and I was there with him till 2014. He groomed me to become a true professional for the job that I was supposed to do. He showed his confidence, gave me ample opportunity to learn by myself and through his coaching. His continuous guidance and feedback helped me to overcome my fears and provided a comfortable environment where I excelled at the role. Apart from professional conduct, the values I learned while working with him made a great impact on my personal life. He is a true motivator, valued leader and human being. His professionalism not only helped me, it also helped those folks who were just fresh graduates and were starting their career. He believed in learning, growth, success and that with the team! Very few leaders bear the burden of their team and take it to the next level.

I still remember his words - Chase your dreams until you live those in real and never stop dreaming!
