Alok Chaturvedi and Arijit Mukherjee

While I was in Deloitte for 2.5 years, I was deeply inspired by Alok Chaturvedi and Arijit Mukherjee. These two colleagues exhibited real professionalism, discipline, etiquette, calm state of mind in difficult situations and could overcome those problems while absorbing most of the pressure themselves, without passing it on to other team members.

Thank you for giving me such a wonderful lesson. Hope to work with you again.

Alumni Meet 2017

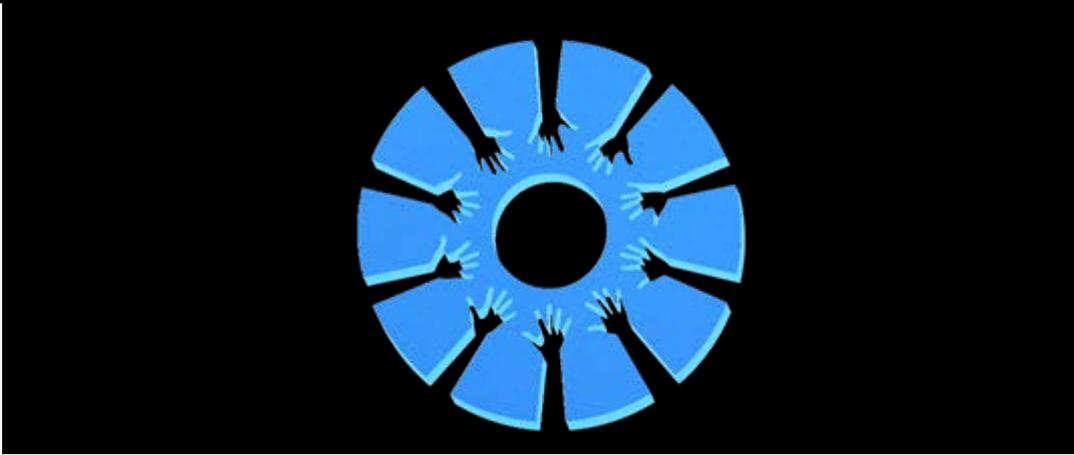

Nothing stands better than connections built for life. And such connections were seen flourishing in the Alumni Meet 2017. A great interface between Deloitte professionals and the alumni gave people a great platform to reminisce their old bonds and create new memories all together.

It was indeed an heartwarming experience for everyone to relive their Deloitte life and to meet old friends & strengthen business connections.

One of the first such events this year was organized in Delhi in October and saw Deloitte leaders and our Alumni in attendance from.
