

**Managing Risk in  
Digital Transformation**  
Introduction to Digital Risk

## Introduction to Digital Risk

Advent of digital enablers in the business poses new set of risks which are beyond traditional cyber security thereby leading to the need of a detailed risk framework for your digital journey. This framework enables the leadership to consider the level of risk it is willing to take on in the pursuit of innovation and potentially lucrative new ideas.

# Deloitte.

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee (“DTTL”), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as “Deloitte Global”) does not provide services to clients. Please see [www.deloitte.com/about](http://www.deloitte.com/about) for a more detailed description of DTTL and its member firms.

This material and the information contained herein prepared by Deloitte Touche Tohmatsu India LLP (DTTI LLP) is intended to provide general information on a particular subject or subjects and is not an exhaustive treatment of such subject(s). This material contains information sourced from third party sites (external sites). DTTI LLP is not responsible for any loss whatsoever caused due to reliance placed on information sourced from such external sites. None of DTTI LLP, Deloitte Touche Tohmatsu Limited, its member firms, or their related entities (collectively, the “Deloitte Network”) is, by means of this material, rendering professional advice or services. The information is not intended to be relied upon as the sole basis for any decision which may affect you or your business. Before making any decision or taking any action that might affect your personal finances or business, you should consult a qualified professional adviser. In particular, it is clarified that DTTI LLP does not provide legal advice and you should consult your legal adviser to address any legal matters or questions of law or for seeking legal advice.

No entity in the Deloitte Network shall be responsible for any loss whatsoever sustained by any person who relies on this material.
