

Vendor Assessment Landscape

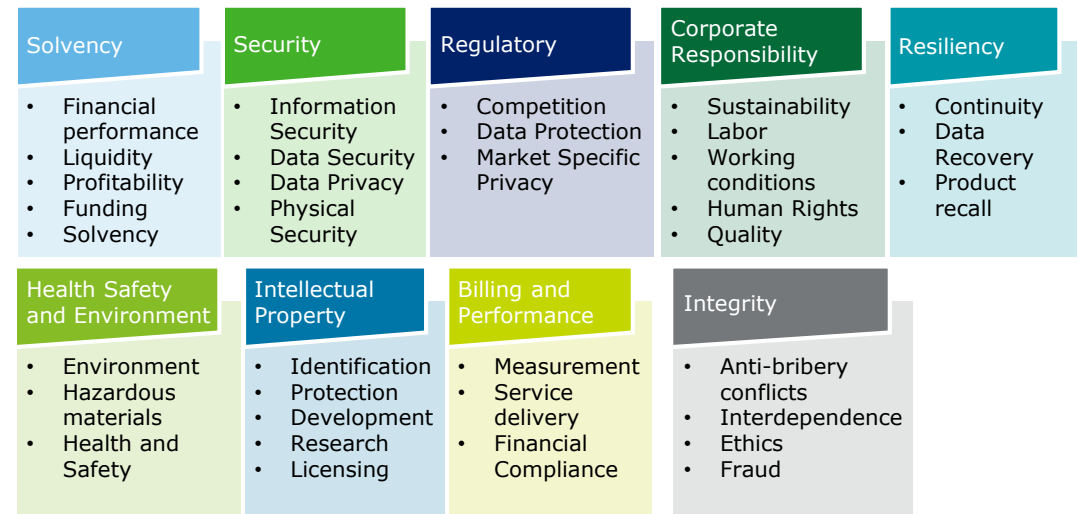

The extended enterprise is the concept that an **organization does not operate in isolation**. Its success is dependent upon a complex network of third party relationships.

Deloitte has the experience and know how to perform various types of vendor assessments.

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. Please see www.deloitte.com/about for a more detailed description of DTTL and its member firms.
