## Who we are

In2law is the company chosen by Deloitte to implement and enhance its Legal Managed Services' offering: a set of strategic alternative legal services that foster business success.

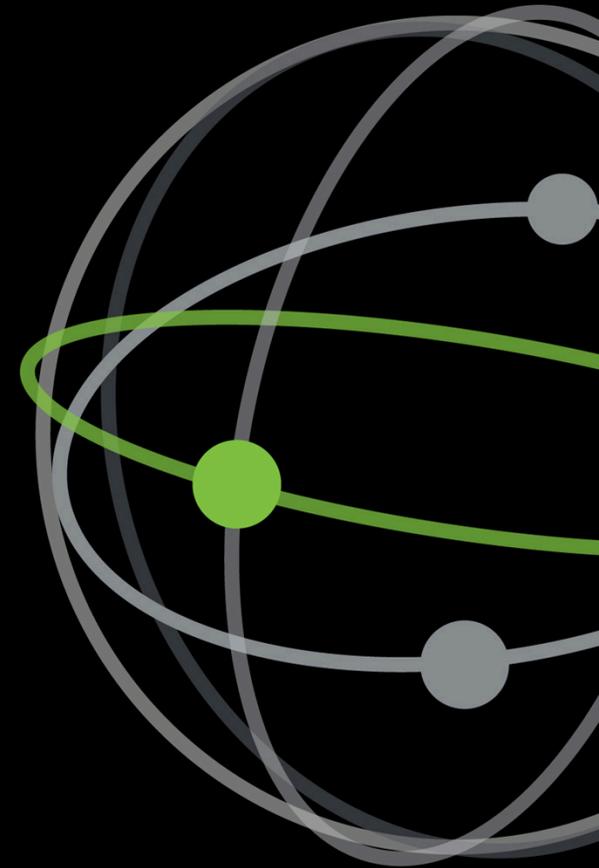

We are **in2lawyers**: professionals with extensive in-house legal experience and deep inside knowledge of the corporate world. Our main goal is to offer efficient, safe, business-oriented solutions, always aligned with our clients' underlying business objectives. We aim to provide high value-added legal support resulting in concrete results and cost efficiency for your company.

## What we do | Do more with less

**Do you lack the time or the resources to manage your legal issues?** Does your in-house legal team need extra support? We can help with the same care you'd dedicate to it and with a business-oriented approach.

**How?** We will provide the most suitable professional resources and up-to-date technology for developing your projects at the right cost. Our team of professionals analyses your objectives and designs customized solutions for your business. We improve the efficiency of your company thanks to a governance model which allows to control costs, reduce risk and improve processes.

## Our strenghts

**INNOVATION** | We are Legal Managed Service providers through on-demand resources and tech tools; we can support businesses of any size and sector, with or without an in-house legal department.

**FLEXIBILITY** | We adapt to your schedules, working from your offices or remotely, increasing or decreasing the workload following your business' natural flow.

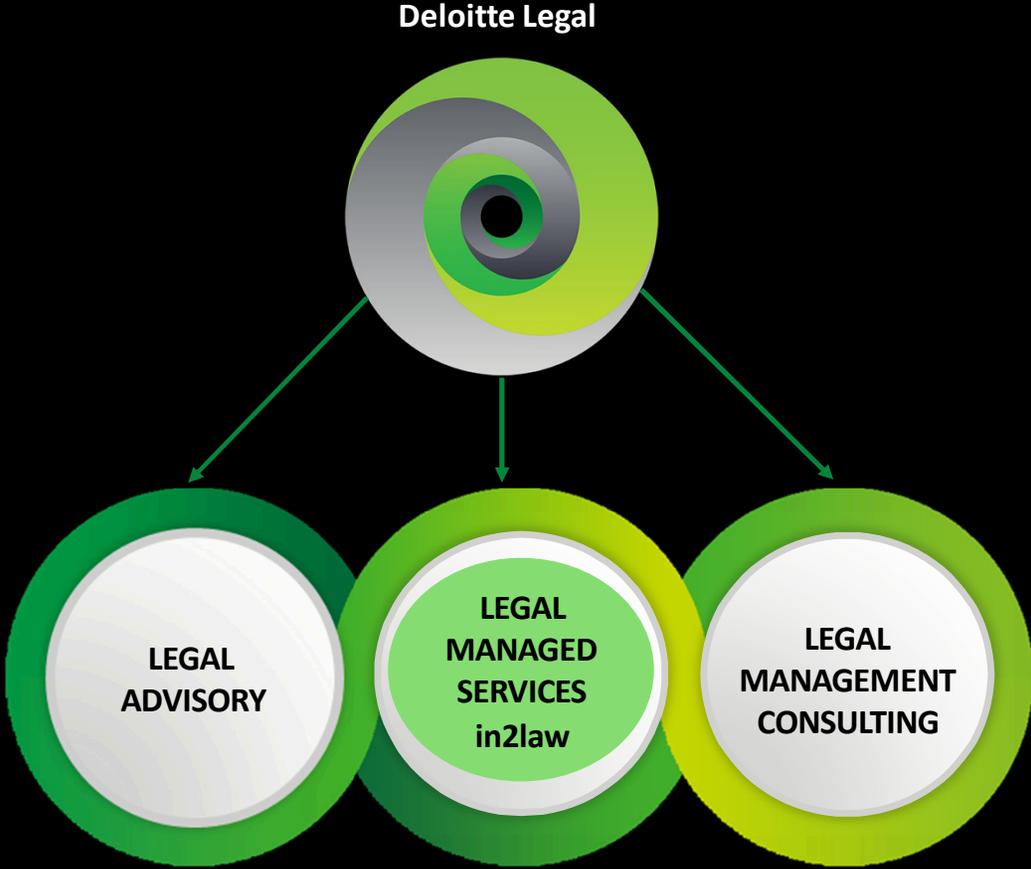

**COMPETENCE** | Our professionals have pursued careers in companies of different sectors and sizes, of which they know processes and needs in depth.

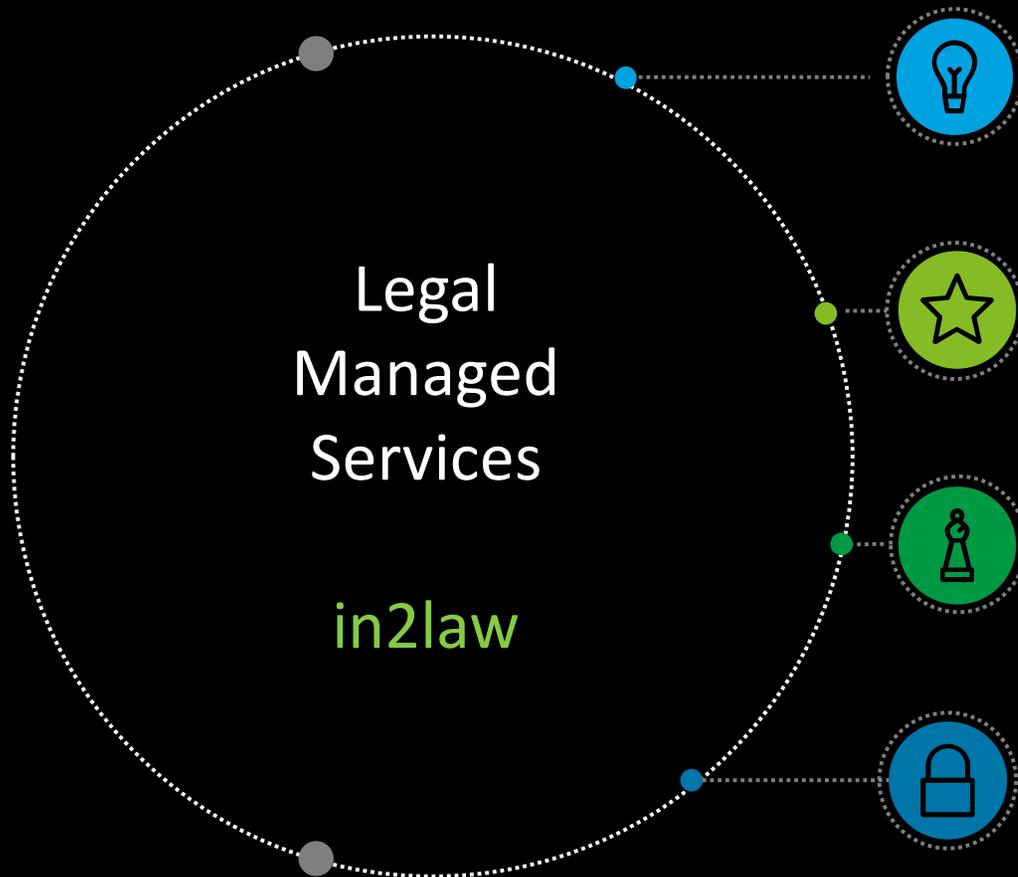

**EFFICIENCY** | We strive to align with your budget and business priorities, rationalizing legal costs.

# Deloitte Legal and in2law's Legal Managed Services

## Our Legal Managed Services

### Legal as a service

Innovative, efficient and flexible services. Only when you need us and for the time necessary (day-by-day, or for special projects).

### Legal staffing

Plug&play support to the in-house legal team, aligning to the workloads and time needed. We can support you in case of workload spikes, and/or temporary needs of your team, with an eye on the budget and your priorities.

### Outsourcing

Management and rationalization of massive legal activities' processes and document analysis, aimed at identifying risks and criticalities connected to a possible business operation, all in synergy with Deloitte's Network.

### Legal tech

Tech tools are used to improve complex process management such as compliance, corporate entities, and contract management.

## About us
