

EMEA FinTech Talks Italian edition **Blockchain**

Invitation

Deloitte is delighted to invite you to the launch of our series of EMEA FinTech Talks. This event will focus on blockchain, arguably the hottest topic in FinTech and the Financial Services industry today.

The Deloitte Greenhouse in Milan will host this event on May 12th, 2016, when an exclusive group of leading FSI executives, regulators, entrepreneurs and academics from around the globe will meet up to explore how the blockchain technology will impact the FS Industry.

In three intimate roundtables, you will have the opportunity to hear renowned speakers debate about the evolving world of payments and capital markets.

Please, see the attached programme.

About EMEA Fintech Talks

Event Format

The EMEA FinTech Talks are events designed to inspire an audience about ideas and insights related to the Financial Services industry and more specifically to FinTech. Each Talk will include hand-picked speakers that will share their perspectives on recent developments, emerging trends, and disruptive technology platforms that will shape the future of financial services.
