

**Global Regions:**

- ① North America, ② Europe, ③ Japan, ④ Australia,
- ⑤ China, ⑥ Asia, ⑦ Brazil/Latin America,
- ⑧ Others (Middle East, Russia, Africa, etc.)

The image shows a large, multi-column risk matrix table. The table is color-coded according to a risk level scale. A large, semi-transparent watermark with the word "Sample" is overlaid diagonally across the center of the table. The table appears to be a risk register or a similar risk management tool, with various risk categories and their corresponding likelihoods.

**Color-coded likelihood of risks**

**Events:**

- ① Economy, ② Sovereign Public Finance ③ Banking System ④ Markets (Financial, FX, Stock, Credit, Real Estate, Commodity), ⑤ Accident/Natural Disasters, ⑥ Politics,
- ⑦ Financial Regulations and Policies, ⑧ Risk Management/Governance,
- ⑨ Accounting and Tax, ⑩ War/Terrorism/Social Unrest
