Learning is the jewel that follows its owner everywhere

The Deloitte Academy is an independent business unit of Deloitte Kazakhstan, based in Almaty, whose main objective is to increase the practical knowledge and professional skills of our clients and their employees.

Since its inception, the Academy has held a number of seminars for current and potential clients in Almaty, Astana, Karaganda, Kokshetau, Atyrau, Dushanbe, Bishkek and Tashkent.

In addition to general training courses for wider audiences, we also work with corporate clients to provide non-standard solutions at a time suitable for clients. We try to understand the needs of each company and offer specialised solutions, develop exclusive materials together emphasising important and topical issues.

We value our client relationships and interaction, and are ready to provide the highest level of professional services. We are looking at a long-term relationship with you.

Our competitive advantages

- A guarantee of the professionalism of experts and trainers
- An ability to discuss complex technical issues in detail
- Small group sizes
- Competitive pricing
- A flexible system of discounts.

Corporate programmes

The Academy offers comprehensive solutions aimed at improving the performance of the financial department as a whole. The Academy's corporate programmes are aimed at:

- implementing changes
- improving the preparation of reporting in terms of quality
- giving financial department specialists an all-round understanding of the process of preparing reporting, including how their job impacts the process
- ensuring non-finance senior management and staff are competent in financial issues
- impacting transactions that have been concluded or may be concluded in the near future

Our experts

- are experienced managers and partners
- are highly qualified, experienced in practical and training terms
- work on Deloitte engagements

Seminar format

Training is interactive. The theoretical part of all training sessions is taught in a user-friendly way and is enhanced by case studies and the discussion of practical situations.

Discounts

We encourage long-term client relationships, which is why we employ a flexible system of discounts. For Deloitte clients (more than 3 people) we offer an additional discount on general seminars. Those who register for seminars in advance will also receive further discounts. For corporate clients, prices are set individually, based on the complexity of the subject matter.
