## About Deloitte Global

With over 150 years of hard work and commitment to making a real difference, our organization has grown in scale and diversity — approximately 264,000 people in 150 countries and territories, providing audit, tax, legal, financial advisory, risk advisory, and consulting services — yet our shared culture remains the same.

For us, good isn't good enough. We aim to be the best at all that we do — to help clients realize their ambitions; to make a positive difference in society; and to maximize the success of our people. This drive fuels the commitment and humanity that run deep through our every action.

That's what makes us truly different at Deloitte. Not how big we are, where we are, nor what services we offer. What really defines us is our drive to make an impact that matters in the world.
