Other reports

Please note that this Tax Compliance Reminder contains only general requirements for major taxes and other obligatory payments. Kazakhstan legislation also establishes other types of reports and payments, such as statistical reports, currency control reports, and other specific taxes, charges and duties. The complete range of reporting and payment deadlines depends on an entity's business activities.

Deloitte, one of the world's largest professional services firm, is focused on client service through a global strategy executed locally in nearly 150 countries. With access to the extensive intellectual capital of 200,000 people worldwide, Deloitte delivers services in four professional areas - audit, tax & legal, consulting and financial advisory services.

Deloitte was one of the first major consulting firms to enter the CIS market. We opened our first office in Moscow in 1990. Today, over 3,500 professionals work in our 14 offices across 9 countries in the region. Our success can be measured by the response of the market in making us the fastest-growing professional services firm in the CIS.

Deloitte in the Caspian Region was established in 1993 and covers our offices in Kazakhstan, Kyrgyzstan, Uzbekistan and Tajikistan. We are one of the largest international professional practices in the Caspian region, where more than 600 local and expatriate professionals work closely together as mixed teams, to ensure the right balance of skills and provide premium client service.

Our Kazakhstan tax & legal practice is represented by 4 offices in Almaty, Astana, Atyrau and Aktau with nearly 100 specialists organized along industry groups and service lines. We are the only major consulting firm operating in Atyrau, Astana and Aktau through our fully operating offices.

Our tax & legal service lines are part of Deloitte's global structure. The following is intended only to highlight some of the general areas in which our tax & legal group may be of assistance.

- Corporate tax advisory services, including tax strategies, cross-border solutions and investment structures
- Tax compliance, accounting and payroll services
- Employer and individual solutions
- Legal services, including corporate consulting and governance, contract preparation, registration, labor law, currency control and due diligence services
- Transfer pricing

- Customs consulting
- Tax dispute resolution
- Corporate and in-house training
- Bringing local companies to world markets.

In addition to our skills in a broad range of tax and legal disciplines, we can offer our clients the expertise of our industry specialists. Deloitte has established cross-functional industry groups, which are intended to assist our clients in overcoming complex challenges in line with today's market needs:

- Energy & Resources
- Telecommunications, Media and Technology
- Consumer and Industrial Products
- Financial Services
