

Financial Advisory Financial Advisory Services - Corporate Finance I Analyst

What impact will you make?

Every day, your work will make an impact that matters, while you thrive in a dynamic culture of inclusion, collaboration and high performance. As the undisputed leader in professional services, Deloitte is where you'll find unrivaled opportunities to succeed and realise your full potential.

The Team

Innovation, transformation and leadership occur in many ways. At Deloitte, our ability to help solve clients' most complex issues is distinct. We deliver strategy and implementation, from a business and technology view, to help you lead in the markets where you compete.

Work you will do

As an Analyst in our Financial Advisory Services team, you will build and nurture positive working relationships with teams and clients with the intention to exceed client expectations. You will:

- Support Consultants and Managers in managing client engagements and projects on an end-to-end basis.
- Assist in the building of in-depth and complex feasibility and valuation models pertaining to new ventures, M&A, financial reporting, tax requirements, etc.
- Contribute towards the production of crisp and high quality feasibility and valuation reports
- Contribute to Transactions related activities, research and other projects
- Collaborate with cross border teams across different industry verticals

Profile

- Minimum 01 year similar experience in a reputed firm
- Bachelor's degree in Finance/Economics/Management or Passed Finalist of CFA/ICASL/CIMA/ACCA
- Team player with excellent interpersonal and networking skills, fluent with MS office tools
- having expertise in MS Excel is a prerequisite.
- Candidates pursuing the CFA qualification are encouraged to apply
- Committed and Enthusiastic with a high level of integrity and professionalism.
