

Manager talent standard

Global Tax and Legal International Tax

Building a *globally uniform level of quality and capability* in our core services so that our clients experience a *consistent, exceptional Deloitte* is critical to become the undisputed leader in professional services. The following standard defines the capabilities required at the Manager level for our International Tax service line.

Leadership capabilities

We expect practitioners at all levels to embrace and live our purpose by challenging themselves to identify issues that are most important for our clients, our people, and for society and *make an impact that matters*. There are five Leadership capabilities that we require from all Managers across the organization, regardless of service line. Behavioral anchors for each capability are described below.

Capability	Description	Behavioral anchors
Living Our Purpose	Acts as a role model, embracing and living our purpose and values, and recognizing others for the impact they make	<ul style="list-style-type: none"> • Holds self and others accountable for living our values • Challenges self and others to make an impact that matters for our clients, our colleagues and our communities • Recognizes colleagues and teams for the impact they make, and helps connect their contributions with our broader purpose
Talent Development	Develops high-performing people and teams through challenging and meaningful opportunities	<ul style="list-style-type: none"> • Looks for challenges and opportunities to grow team members' expertise and talents – encourages people to stretch their capabilities • Supports team members' development needs through formal and informal coaching and knowledge sharing • Actively supports the attraction and development of top talent
Performance Drive	Delivers exceptional client service; maximizes results and drives high performance from people while fostering collaboration across businesses and borders	<ul style="list-style-type: none"> • Sets expectations for the team, aligns their strengths to tasks, and challenges them to raise the bar while providing support • Encourages teams to collaborate within and across businesses and borders, proactively helps make connections • Provides timely feedback to team members to drive high performance
Influence	Influences clients, teams, and individuals positively, leading by example and establishing confident relationships with increasingly senior people	<ul style="list-style-type: none"> • Builds productive, long-term relationships with clients and colleagues, across a broad network, based on mutual respect • Demonstrates an understanding of others' needs and interests, and sensitivity to the organizational and political climate • Adapts influencing approach to take account of individual and organizational sensitivities
Strategic Direction	Understands key objectives for clients and Deloitte, aligns people to objectives and sets priorities and direction	<ul style="list-style-type: none"> • Demonstrates an understanding of Global, Business and Member Firm strategies • Communicates the big picture – drives engagement by connecting the contributions of junior practitioners to broader Deloitte/client objectives

Core Professional and Technical capabilities

Below are the Core Professional and Technical capabilities for International Tax Managers:

Capability	Description	Behavioral anchors
