

Alumni Newsletter December 2019

Welcome to the December edition of the Alumni Newsletter.

What a year we have had.

2019 has seen us move to our iconic, new headquarters and launch our very first Impact Report, a testimonial to our commitment to making an impact that matters. We have celebrated successes and faced challenges—and now we look to tomorrow, always with an eye to the future.

Yet, in the midst of full work schedules and busy personal lives, with the ongoing goal to remain competitive and innovative, it can often prove difficult to stay connected.

Which is why we place so much importance on our Deloitte Alumni, a community that shares a common history, but also continues to share common aspirations. As a Deloitte Alumni, you are a colleague for life and an essential member of the Deloitte family.

Our aim is to create an initiative where you can connect and share business interests, utilize the expertise and skills that derives from working with the very best experts in the industry. I am proud of a community so rich in experience, so immersed in market knowledge—I hope that you are too.

In short, to be part of Deloitte—whether as a current professional or as a former colleague—is to be part of something unique. I hope you feel that as keenly as I do.

I wish you all an excellent end of the year and a joyful festive season with the ones that matter to you the most, and I know that all my colleagues are looking forward to further connecting with you, our colleagues for life, in 2020.

Thank you,

John Psaila

Colleagues for life

Celebrating together

At our annual Alumni Cocktail event on 27 November 2019, we were delighted to welcome so many of you at our new headquarters, D.Square.

What a great opportunity to reconnect with both former and current members of the Deloitte Luxembourg family.

Find more photos from the evening, [here](#).

Back to Deloitte

Many alumni re-join Deloitte each year, making up a select group that we call "boomerangs"!

We connected with two such colleagues: Laura Delpy and Julie Chaidron. Discover what drew them back to us, what new opportunities they have found, and how the connections they maintained at Deloitte played a role in their decision to return. Read more, [here](#).

Your next Alumni event

So, when can we see you next?

We would love for you to join us on 21 March 2020, at the opening ceremony of the Relais Pour la Vie Parade. Meet up with your Deloitte friends, raise a glass, and help support the Fondation Cancer in Luxembourg!

For more information and availability, contact [our team](#).

What's new at Deloitte

FY19 figures

At this year's press conference, we announced that our FY19 gross revenue grew by €20 million compared

First impact

We are proud to share with you our very first Impact Report.

to last year's figures to reach €350 million. In a rather uncertain global environment, our three service lines of audit, advisory and consulting, and tax all contributed to our growth with increases of 7 percent, 3 percent, and 10 percent in their respective gross revenues.

These figures are thanks to the dedication of our talent – and you have all played a role in our success.

Discover more, [here](#).

A rich tapestry of how we have an impact on our talent, the market, and the greater society, the Impact Report is woven with the stories of our people. Their words – our words – echo the Deloitte commitments, which form the cornerstones of what we endeavor to build for tomorrow.

Discover the Impact Report, [here](#).

Deloitte does that: Greenhouse and The Garage

The unique [Deloitte Luxembourg Greenhouse](#) offers an innovative environment that changes the way Deloitte clients solve business challenges. By taking participants outside of their everyday environments, Greenhouse sessions disrupt conventional thinking, spur creativity, bring about new perspectives, and lead to tangible solutions.

"Our Greenhouse is truly unique in that it allows us to offer our clients a physical showroom, to imagine and co-create the corporations and industries of tomorrow. Our workshops help our clients dig into complex issues to break away from the status-quo and achieve breakthroughs. It is where new ideas, concepts, and ways of working can be discussed, assessed, and enabled all at once." Mark Sniukas, Director - Innovation

[The Garage](#) is a place where we re-imagine and establish next generation businesses, design new propositions, and begin transformations. A space where we help mobilize teams in large organizations to create new ventures, products, services and experiences.

"At Deloitte, we offer a space where we make things happen. Our Garage is that space. It is where next generation businesses are made together with our clients. Innovation is key for a wide range of stakeholders and we are helping them lead in transforming and co-creating the future of their business." Mark Sniukas, Director - Innovation

Deloitte Luxembourg is a part of a global network of capabilities, start-ups, and

partners who can help our clients to successfully innovate!

Diversity and Inclusion

In a constant drive to aim higher and do better, at Deloitte Luxembourg we are actively educating and working with our people to celebrate diversity and foster inclusion. This is why, on 27 and 28 September, we invited our clients, Alumni, and staff to lay the foundations of our new Diversity & Inclusion Strategy at the D&I Conference.
