Seize the market opportunities by relying on our regulatory insights.

Be connected with 80+ regulatory experts at Deloitte.

How we can help

Four components to support your distribution strategy

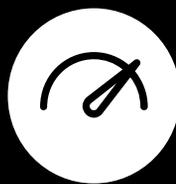

Fund Industry Statistics

- Assess local investors' appetites for different fund products and strategies
- Benchmark your strategy against current market positions and trends

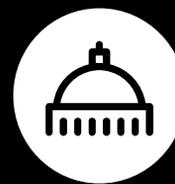

Solicitation without notification

- Explore the available channels to distribute your products without a regulatory notification
- Leverage solicitation and reverse solicitation rules

Regulatory Complexity

- Compare the complexity of your target countries' regulatory frameworks
- Consider the key attention points necessary to determine your distribution strategy

Regulatory Requirements

- Identify the regulatory rules you need to comply with for the target host market and the investors you wish to target
- Be readily informed about any regulatory change

Regulatory intelligence is at the heart of every well-structured cross-border strategy, and is integral to reducing risk and maximizing your opportunities for success

Deloitte is a multidisciplinary service organization which is subject to certain regulatory and professional restrictions on the types of services we can provide to our clients, particularly where an audit relationship exists, as independence issues and other conflicts of interest may arise. Any services we commit to deliver to you will comply fully with applicable restrictions.

This communication contains general information only, and none of Deloitte Touche Tohmatsu Limited, its member firms, or their related entities (collectively, the "Deloitte Network") is, by means of this communication, rendering professional advice or services. Before making any decision or taking any action that may affect your finances or your business, you should consult a qualified professional adviser. No entity in the Deloitte Network shall be responsible for any loss whatsoever sustained by any person who relies on this communication.

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. Please see

www.deloitte.com/about to learn more about our global network of member firms.

Deloitte provides audit, consulting, financial advisory, risk advisory, tax and related services to public and private clients spanning multiple industries. Deloitte serves four out of five Fortune Global 500® companies through a globally connected network of member firms in more than 150 countries and territories bringing world-class capabilities, insights, and high-quality service to address clients' most complex business challenges.
