

AIFMD reporting - Are you ready for January wave?

Regulatory news alert

Confirmation of the dates to comply with the reporting obligations

As you may be aware, many AIFMs must submit prudential reports to their national competent authorities in January 2015 in accordance with Article 24 of the AIFM Directive and annex IV of the associated Delegated Regulation.

For its part, the Luxembourg CSSF has confirmed that all AIFMs regardless of their reporting frequency, including those AIFMs which were authorised between 1st October 2014 and 31st December 2014, are all required to submit their reports by 31 January 2015 at latest. The only exception is for those AIFs which are classed as fund of funds and for whom the reporting deadline is 15 February 2015.

Deloitte offers a wide range of innovative solutions ranging from ad-hoc assistance on specific parts of the report to a fully-fledged outsourced production solution, all of which are designed to minimise the burden of the reporting on the AIFMs. For more information on our tailor-made solutions, check out our [website](#).
