Financial Transaction Tax - rate to be increased to 0,2%

Further to our last [Operational Tax News regarding the draft administrative guidelines](#) on the future French Financial Transaction Tax ("FTT"), please note that the French Government has decided on 4 July an increase of the rate of the FTT from 0,1 to 0,2%. This increase of tax rate is still to be approved by the Parliament.

We will keep you informed on any new developments in this regard.

If you have any queries regarding the above, please do not hesitate to contact us.
