Deloitte awarded 24 honors at the ITR European Tax Awards

Luxembourg 15 June 2017: The Deloitte network of member firms won 24 awards at the 2017 European Tax Awards—more than any other participating organization in this year's program. Every year, the European Tax Awards reward firms that have demonstrated innovative, complex, and impactful work over the last year.

Across Europe

International Tax Review (ITR) awarded the Deloitte network with the prestigious prizes European Tax Firm of the Year and European Transfer Pricing Firm of the Year. These accolades reflect the network's leading position across a variety of tax disciplines and jurisdictions in the region. Deloitte also received multiple recognitions at country level for its innovative work and tailored advice to clients.

ITR awards national prizes to the best tax and transfer pricing firms in 27 jurisdictions; regional prizes for tax policy and compliance & reporting; and deal awards focusing on leading matters in a number of industry sectors and practice areas such as M&A, capital markets, media & entertainment and technology & telecommunications.

A close collaboration

"We are very proud that our network of member firms is recognized by the International Tax Review in so many categories. These awards reflect our member firms' commitment to continuously build our technical capabilities and deliver high value-added services that help our clients face their challenges in a rapidly changing tax environment," states Raymond Krawczykowski, Partner and Tax Leader at Deloitte Luxembourg.
