Closing

Non-financial reporting workshop

Current state of affairs and future of information disclosure

June 30, 2015

Mercure Riga Centre Hotel conference room

Address: Elizabetes 101, Rīga

Host: Deloitte

Key topics of the seminar:

Inform Latvian businesses on EU non-financial reporting Directive, reporting requirements and benefits.

Share the best practice in the field, present non-financial reporting trends and tools. Assess in practice readiness of your organisation to prepare such report.

Participants invited:

Latvian businesses that wish to design and execute sustainable business strategies and become a socially responsible by acknowledging economic, social and environmental aspects of their entrepreneurial activities.

Speakers:

Aleksandra Stanek-Kowalczyk

Deloitte Poland, Senior Manager

Rafał Rudzki

Deloitte Poland, Senior Manager

Both Aleksandra and Rafał work for Sustainable Consulting Central Europe at Deloitte in Poland. They are sustainability experts who delivered about 300 projects in that field for public and private clients in Poland and other CE countries. Their clients represent various industries e.g. financial, energy, oil & gas, consumer goods, industrial manufacturing, etc. They take active part in educational activities in sustainability.

Liga Mengelsone
