

# Deloitte.

## Your future begins here

Put your knowledge into  
practice and discover a  
career that works for you

THE DELOITTE ACCA PROGRAMME 2023

MAKING AN  
IMPACT THAT  
MATTERS  
*since 1845*

# What's it like to work at Deloitte?

Choose Deloitte and you'll enjoy a career that offers so much more. A career with **purpose** that you can shape and believe in. An **inclusive** environment, where you can always **be the true you** and feel championed, **heard** and **supported**. Where you'll **grow, collaborate** and learn something new, each and every day. By **connecting with others**, right across our firm, you'll be part of an inspiring community, all working together to make an **impact that matters** – for our clients, our people, and the wider world.

Come and find out what it's like to work at Deloitte by joining the **Deloitte ACCA** programme and meet the people who will inspire you to achieve. The Deloitte ACCA programme is designed for students who have just completed their A levels as well as those who have completed a degree and wish to pursue an accountancy qualification. **If you have already started your ACCA journey, you can still apply to join the Deloitte ACCA programme.**

## Why ACCA at Deloitte?

Learn more on

[deloitte.com/mt/careers](https://deloitte.com/mt/careers)

The Deloitte ACCA programme offers a high level of flexibility to students, allowing them to select the learning providers of their choice. Deloitte supports students by means of a structured journey that guide them to achieve their ACCA qualification.

By joining the Deloitte ACCA programme, you will receive continuous support, as well as gain work experience that is vital to achieving a comprehensive understanding of both the profession and the business in which you will be working, and will contribute to the relevant practical working experience required.

# Eligibility

- Two A levels and three O levels (or equivalent) in five subjects, which must include English and Mathematics; or
- A relevant MQF Level 4 certificate and/or MQF level 5 diploma in Accounting, Business Administration, Finance and Insurance, or a related field; or
- A relevant degree at MQF Level 6/Master's degree rated at MQF Level 7.

[Learn more about the ACCA qualification here.](#)

## What's in it for you?
