

# Deloitte.

## Your future begins here

Put your knowledge into  
practise and discover a  
career that works for you

GRADUATE PROGRAMME

MAKING AN  
IMPACT THAT  
MATTERS  
*since 1845*

# What's it like to work at Deloitte?

Come and find out by enrolling in our Graduate Programme and meet the people who will inspire you to achieve. Our **Graduate Programme** is designed for students reading for a degree in a degree in B.Com, Law or Information Technology or A Masters in Accountancy. Learn more about our programmes on [deloitte.com/mt/students](https://deloitte.com/mt/students).

You'll be involved in projects from day one, applying the knowledge you're gaining at university. This experience will help you grow, and it will give you the opportunity to explore different business areas to see the types of projects really inspire you. Furthermore, upon completion of your studies, you will be able to join Deloitte on a full time basis.

If you are reading for a degree in B.Com, Law or Information Technology or A Masters in Accountancy then learn more about how the programmes can help you in your studies. **Start your journey with us and let us support you along the way.**

## What's in it for you?

Build your professional experience by working on projects with client exposure whilst pursuing your studies at university.

From your first year of studies, you'll have the opportunity to work during the winter months. The work schedule at Deloitte will offer the utmost flexibility, aligned to your lecture timetable with time off during exam periods.

Opportunity to work on a full-time basis during the summer months.

A structured learning journey.

An opportunity to job shadow in an alternative business for a period of time.

Access to the Deloitte Technical Library.

A buddy will help you navigate your way in those first few weeks of joining us, and your allocated Team Leader will support your development and provide valuable feedback on your performance.

A chance to make an impact that matters by volunteering with the Deloitte Foundation.

Financial reward for students who graduate with distinction.

Support with your dissertation.

A great social life and an opportunity to join the Deloitte student Network.

Participation in team building activities and social events organised by Deloitte.

Empower and align your passions through Deloitte's *WorldClimate* and *WorldClass* strategies.

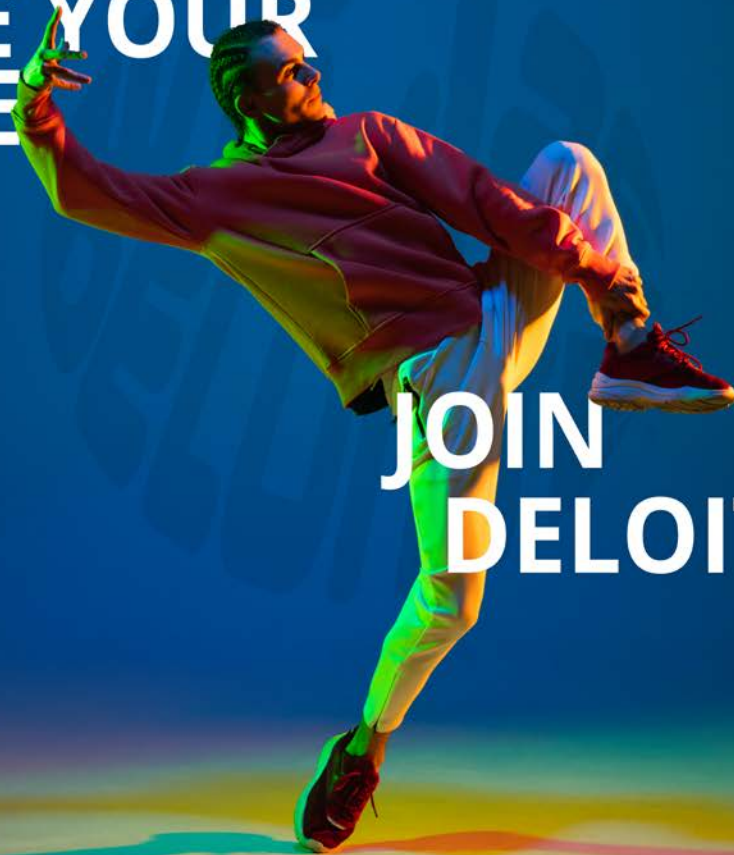

Full time employment upon completion of your studies.

# Learn more about your journey with Deloitte as you progress through your degree on a yearly basis.

# MAKE YOUR MOVE

# JOIN DELOITTE
