

GST Appeal Tribunal Workshop

Invitation

It has been two years since the implementation of GST in Malaysia. However, many GST issues still lack clarity and could result in disputes with the tax authority (Customs) owing to different interpretations and views between businesses and Customs. The GST Appeal Tribunal ("GST Tribunal") was established with effect from 1 April 2015 to provide businesses with an avenue to appeal against a decision of the Director General of Customs and resolve any GST disputes in an amicable and effective manner.

Deloitte Malaysia is honoured to have the Deputy Chairman of the GST Tribunal Mr. Abdul Ghafar bin Abdul Latif and GST Tribunal member Mr. Indrasathi Muniandy for a half-day session to discuss the intricacies of the GST dispute resolution process of the GST Tribunal. As part of the briefing session, our guest speakers, who are presiding members of the Tribunal, will share their key experiences and insights on the GST appeal and dispute resolution process.

The tax issues covered by the forum will include:

- Appeal filing process – timeline and procedures
- Appealable and non-appealable GST matters
- Common errors and observations in filing an appeal
- Recent decisions of the GST Tribunal: implications to businesses and industrial sector
- Issues and challenges: lessons learnt
- Strategy and case planning (case management)

If you would like to gain a better understanding of the above and get to know our GST dispute resolution experts, you are cordially invited to register for this upcoming briefing.
