

Criteria Technology Fast 50, Deep-tech & Rising Star

*you generate the majority of your operating revenue from:

1. The sale of products/services that are based on your own proprietary technology or proprietary intellectual property;
2. Or the sale of technology related products that you manufacture

3. You devote a significant proportion of operating revenues to research and development of technology, and you preferably make use of fiscal regulations, such as WBSO.

Note: Using other companies' proprietary technology or intellectual property in a unique way does not satisfy this requirement. Consulting companies, professional services firms, resellers and others are not eligible.

Note: The internal jury of Deloitte will make a discretionary final validation about if the eligibility of a participant, based on the information and resources made available by the company
