

01

RESEARCH

Make sure you understand who we're looking for and what service line would fit you best. We only accept one application per candidate and you'll be asked to select your first service line preference and then your second choice.

02

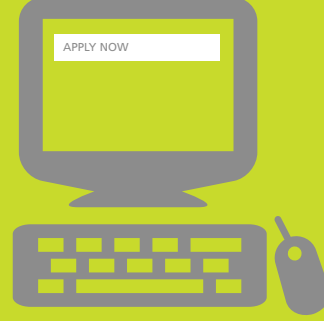

PREPARE YOUR DOCUMENTATION

Get your academic record, CV and cover letter in order. Check out our Facebook and Youtube pages for some helpful tips.

03

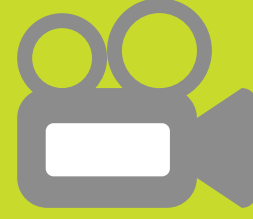

APPLY

Visit www.deloitte.com/nz/students and apply online. You'll need to upload electronic copies of your supporting documents and answer the pre-screening questions. Allow yourself plenty of time so that you are able to put your best foot forward.

04

VIDEO INTERVIEW

If you are shortlisted, you'll be sent an email link inviting you to complete a video interview. This is your opportunity to stand out from the pack so make sure you are in a quiet place and have around 20 minutes time. You'll have 48 hours to complete the interview once the email has been sent.

05

INTERVIEW

We'll then review all parts of your application and if successful, you'll be invited to a face-to-face interview at one of our offices. We'll contact you to arrange a time.

06

OFFER

If your interview has been successful, one of our Partners will call you to make you a formal offer to join us as a graduate or summer intern!
