On 28 September 2020, Colin Owens and David Webb were appointed liquidators of NNS New Zealand Limited (In Liquidation) (“the Company”).

As Licensed Insolvency Practitioners, we are bound by the RITANZ Code of Professional Conduct when carrying out all professional work relating to our appointment as Liquidators.

Liquidators of insolvent companies are required to be licensed insolvency practitioners. More information about the regulation of insolvency practitioners is available from the Registrar of the Companies.

This is our six monthly report required by section 255 (2) (d) of the Companies Act 1993.

Restrictions

We take no responsibility for any incorrect information contained in this report that has been supplied by the company, its officers or other persons.

This document is a report to creditors and shareholders, and notices to creditors in terms of the Companies Act 1993. This report is confidential to creditors and shareholders and is not to be reproduced or used for any other purpose without our prior written consent in each case. We do not accept any liability whatsoever to any party from any use of, or reliance on, this report.

Information included in the Liquidators’ six monthly report

The liquidators’ six monthly report includes the following appendices:

- Appendix A: Updated Statement of Affairs for the Company
- Appendix B: Statement of Realisations and Distributions
- Appendix C: Updated Interests Statement
- Appendix D: Liquidators Remuneration Report

Conduct of the liquidation during the preceding six months

The Liquidators have undertaken their statutory duties, including maintaining records of the liquidation, preparing accounts of the liquidation, preparing and filing GST returns and reporting to creditors. The Liquidators have also undertaken their duties under the RITANZ Code of Professional Conduct, including preparing a Declaration of Independence, Relevant Relationships and Indemnities (DIRRI) and Remuneration Report.

The Liquidators have been undertaking their investigation into the financial affairs of the Company to ascertain any further recoveries that may be available for the benefit of creditors.

Realisations and distributions

A statement of the realisations and distributions in the six months covered by this report is detailed in Appendix B.

The Liquidators wrote to the Company's debtors at the date of liquidation and have monitored their responses. The majority of these debtors have disputed the debt owed on the basis that the Company cannot fulfil its obligations under the contract as it is in now liquidation. As a result, it is now envisaged that the Liquidators will not recover any monies from debtors recorded at the date of liquidation.

Upon liquidation, the funds that the Administrators were holding were transferred to the Liquidators. In pursuant to the Seventh Schedule of the Companies Act 1993, the Administrators have a priority for their unpaid remuneration and disbursements. The Liquidators paid the outstanding Administrators fees to the value of \$46,317 (excl GST and disbursements).

Liquidators remuneration paid in the six month period ended 28 March 2021 was \$11,649 (excl GST and disbursements).

Further proposals for completing the liquidation

There are no material changes to the proposed actions outlined in the Liquidators' first report.

The Liquidators are finalising their investigation into the financial affairs of the Company. It is unclear at the present time whether this will disclose any further recoveries for the benefit of creditors.

Distribution to creditors

At this stage, it is expected that there will be a distribution to creditors. The Liquidators intend to make a distribution to creditors within the next reporting period.

Notice to creditors/shareholders/director or other entitled person

Section 284(1)(e) of the Companies Act 1993 details the right of a creditor, shareholder, director or other entitled person to seek the leave of the Court to, in the respect of any period, review or fix the remuneration of the Liquidator at a level which is reasonable in the circumstances.

Information for creditors and shareholders

The Companies Act 1993 allows a creditor in many circumstances (but not a shareholder) a higher priority for distributions in the liquidation if such creditor takes action, or provides funding to the liquidation, for the benefit of the Company's creditors. Creditors and shareholders may have their own remedies, independent of the Liquidators, for seeking to recover any losses, including under section 301 of the Companies Act 1993.

Creditors or shareholders that wish the Liquidators to undertake recovery actions and are willing to provide funding or other assistance, or who have information that would assist the Liquidators in recovering funds for the benefit of creditors and shareholders, should contact the Liquidators as soon as possible, as delay may cause legal recovery action to become impossible or unproductive. Information in writing and copies of relevant correspondence or documents would be helpful to the Liquidators in undertaking recovery actions.

Remuneration report

The Remuneration Report that is required to be provided to the Company's creditors under the RITANZ Code of Professional Conduct is attached as Appendix D.

Estimated completion date

We cannot at present provide an estimate of the date by which the liquidation will be completed.

If you require any further information, please do not hesitate to contact Lily Choun.
