

# Fit for the future

**Household**  
[Definition]  
People residing together, often - but not always - as a family unit, who have shared resources and an inter-dependent standard of living

**Wellbeing**  
[Definition]  
Wellbeing is our quality of life. Kiwi values lie at the heart of our perceptions of wellbeing

**Resilience**  
[Definition]  
The ability to absorb, bounce back from or adapt to disruption without compromising wellbeing
