

**Change the world,
not who you are**

What Impact will you make?
www.deloitte.com/pk

Deloitte drives progress. Our extensive service spectrum of auditing, tax consulting, business consulting and corporate finance consulting enables us to help clients become leaders wherever they choose to compete. Deloitte invests in outstanding people of diverse talents and backgrounds and empowers them to achieve more than they could elsewhere. Our work combines advice with action and integrity. We believe that when our clients and society are stronger, so are we.

Assistant Consulting Services

Location: Karachi

WORK YOU WILL DO:

Deloitte Consulting professionals are part of an expanding and dynamic, fast growing, top tier strategy consulting practice. You will assist the team in engaging with high profile clients on their most important and challenging business issues through performing research, analysis on data and work assigned by senior members of the team. You will work with a high performing team with a strong commitment to excellence in pursuit of helping our clients define and act upon their strategic choices. You will gain the opportunity to experience borderless careers through international assignments and secondments.

Exciting tasks await you

- Adhere to the highest degree of professional standards and strict client confidentiality.
- Assist team in client engagements from start to finish, which includes planning, organizing, conducting, directing, and completing projects and services and managing projects to budget.
- Assist seniors in development or improvement of Anti Money Laundering compliance programs.
- Work closely with engagement teams and manage multi task work.
- Maintain a good working relationship with people across all levels (leaders, peers and clients) and work with client management and staff at all levels to perform services.
- Assemble, maintain, and finalize working papers with minimal supervision.
- Self-starter with ability to multi-task and work independently.
- Receptive to travel, depending on project and client needs.
- Collect information about the client's business through a variety of methods (shadowing, research, surveys, reading reports etc.)

You possess the following skills and experience

- ACCA qualified or BSC/BA in business administration or relevant field; MSc/MA in a business related field will be an advantage.
- Excellent MS Office, analytical, problem solving, research, and organizational skills.
- Additional Certification would be preferred and added advantage to the candidate.
- Report writing skills to deliver accurate account of facts in clear and concise language that is consistent with underlying evidence.
- Maximum 1 year of experience in business processes, internal controls assessment, and on field or desk based research.
- Reliable, committed, able to work independently and willing to take on responsibility in a fast-paced environment.
- Excellent communication skills.
