

Change the world,
not who you are

What Impact will you make?
www.deloitte.com/pk

Deloitte drives progress. Our extensive service spectrum of auditing, tax consulting, business consulting and corporate finance consulting enables us to help clients become leaders wherever they choose to compete. Deloitte invests in outstanding people of diverse talents and backgrounds and empowers them to achieve more than they could elsewhere. Our work combines advice with action and integrity. We believe that when our clients and society are stronger, so are we.

Assistant Manager

Consulting Services

Location: Karachi

WORK YOU WILL DO:

Deloitte Consulting professionals are part of an expanding and dynamic, fast growing, top tier strategy consulting practice. You will engage directly with high profile clients on their most important and challenging business issues through conducting research, analysis and lead primary intelligence gathering as needed. You will work with a high performing team with a strong commitment to excellence in pursuit of helping our clients define and act upon their strategic choices.

Exciting tasks await you

- Conduct and present research and analysis, including market, competitive, economic, industry trends. Analyze and synthesize secondary research; lead primary intelligence gathering as needed.
- Manage complex projects with multiple work streams and multiple stakeholders; coordinate and facilitate strategy discussions with senior leaders.
- Ensure the logic, accuracy, and appropriate scope of factbases with which to inform strategic analyses.
- Develop content for and coordinate executive workshops and working sessions.
- Manage and review the completion of detailed financial and non-financial analyses that can be used to evaluate opportunities or assist in making key strategic decisions. Develop recommendations and approaches for strategic and operational improvements. Presents insight to senior leadership.
- Develop executive level communications and presentations to display and communicate strategic, operational and financial information. Develop leadership-level presentations from initial storyboarding to logical structuring to presentation and delivery.
- Provide management and day to day oversight of team members.
- Occasional travel required.

You possess the following skills and experience

- 3 to 4 years of relevant experience in a professional services firm.
- CA, ACCA, or Bachelor's degree (or higher) in Accounting, Business Administration, Finance, Commerce, Engineering, Social Science, Public Policy or related field from a reputable university.
- Strong business communication skills (written and verbal), including ability to effectively present issues, ideas, and solutions, in logical and articulate manner.
- In-depth understanding of current business trends and industry practices.
- Project management skills and preferably demonstrated experience successfully managing a cross functional team.
- Ability to work in a fast-paced environment, manage several deliverables simultaneously with different stakeholders. Proactive and results-oriented.
- High degree of comfort working in an unstructured environment that requires solving complex, open-ended issues with incomplete data and little direction/supervision.
- Strong interpersonal skills; ability to work effectively in matrix organization; ability to work effectively with individuals from different countries and cultures; ability to influence Senior Executives.
- Exceptional diagnostic, research, analysis and problem-solving skills.
- Attention to detail.
- Advanced MS office skills required.
- Project management certification will be an advantage.
