

Prints charming: biometric security reaches the billions

Deloitte Global predicts that the active base of fingerprint reader-equipped devices will top

1 billion
for the first time
in early 2017

Each active sensor will be used an average of

30 times a day

over **10** trillion times a year

Catalyst for the deployment of biometric sensors in other environments and across multiple industries including:

- retail
- financial institutions
- government
- schools
- media companies
- many more
