Deloitte CE Business Services Center plans to increase the number of its employees to more than 400 by the end of the year

Deloitte wants to create further 200 new jobs in Rzeszów in the upcoming months. Its Business Services Center occupies two floors in Skyres Warszawska, an office building in Rzeszów designed in accordance with the latest standards.

Rzeszów, 23 March 2017 – More than a year since its founding, the Deloitte CE Business Services Center has created over 200 new jobs in Rzeszów and plans to double that number in the upcoming months. Located in SkyRes Warszawska, which is the most state-of-the-art office building in Rzeszów, the Center has expanded by increasing the space it occupies to two floors as of 1 January.

Deloitte's new office in Rzeszów houses the Audit Delivery Center, Finance and accounting, IT, and Risk Operations Center teams, which all make up the **Deloitte CE Business Services Center**. DCE BSC supports Deloitte's teams and the Firm's clients both in Poland and in other European countries where Deloitte itself is present, and it has also been growing rapidly since September 2015.

Thus far, the **Deloitte CE Business Services Center** has experienced impressive growth. In the upcoming months, the number of staff will increase to more than 400 and the Center will offer new services so as to satisfy Deloitte's demand resulting from the planned expansion of its business service lines. *"We are immensely pleased with the progress the Center has made over the past year. Our excellent cooperation with local universities helps attract young, energetic and highly competent graduates to our Center who work along their more experienced colleagues recruited earlier."*, says **Pavel Frnoch**, Deloitte CE Business Services Center Leader. *"Our main objective is excellent quality and therefore we aim at standardizing services and processes and even creating new services based on trends which have not been identified before."*, he adds.

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. Please see www.deloitte.com/pl/onas for a more detailed description of DTTL and its member firms.

Deloitte provides audit, tax, consulting, financial advisory and legal services to public and private clients spanning multiple industries. With a globally connected network of member firms in more than 150 countries and territories, Deloitte brings world-class capabilities and high-quality service to clients, delivering the insights they need to address their most complex business challenges. Deloitte's 210,000 professionals are committed to making an impact that matters.

Deloitte Poland is one of the leading professional services organizations in the country providing services in audit, tax, consulting, financial advisory and enterprise risk through over 1,400 national and specialized expatriate professionals.

Deloitte Central Europe Business Services Center will hire students and graduates of all university majors with conversational level of English and good teamwork skills. Deloitte also hopes to attract to Rzeszów people that were raised in the Podkarpackie Region, now living and working in other parts of Poland and abroad, but who wish to come back to their home city. Established in September 2015, the Center is gradually expanding its offering. The target is not only to deliver services to the 18 Central European countries where Deloitte CE operates. DCE BSC intends to expand its range of services provided into other fields also and to other clients operating in Europe and elsewhere.

The Deloitte CE Business Services Center is located at the following address:

Skyres
ul. Warszawska 18
35-205 Rzeszów.

Apart from that, in Rzeszów Deloitte has its long-established regional office at al. Rejtana 20, which provides professional face to face services to clients.
