Dynamic Growth and a New Office of the Deloitte Central Europe Business Services Center in Rzeszów

Deloitte expects to hire over 300 employees in total in the capital of Podkarpacie by 2021.

Rzeszów, 31 May 2016 – The professional services firm Deloitte is developing and investing in its regional infrastructure and in August 2016, the Deloitte CE Business Services Center will move to the new Skyres building on Warszawska street, an office building in Rzeszów designed in accordance with the latest standards. The decision to relocate was driven not only by large-scale recruitment of staff by the existing departments, but also the launch of the new regional Deloitte Central Europe Audit Delivery Center, which will also be based in Rzeszów.

Deloitte's new office in Rzeszów will accommodate the Finance & Accounting as well as the IT department and the Risk Operations Center working for the **Deloitte Central Europe Business Services Center** and the **Audit Delivery Center**, which will soon launch its business operations. The capital of Podkarpacie has already seen 80 new jobs created by Deloitte in a short period of time and by 2021, the headcount is expected to increase to over 300 people.

Deloitte was advised by JLL, real estate experts, in its search for its new offices. SkyRes Warszawska is the first large-format A Class office building in Rzeszów with a total floor area of 25,648 square meters. Deloitte's offices will occupy two floors of the 14-story building. *We are delighted and looking forward to moving to the new SkyRes building and to creating a modern working environment that will reflect Deloitte's brand and culture. This move marks another milestone in the Firm's commitment to our investment plans to further develop the Deloitte CE Business Services Center in the town of Rzeszów, and to those who will work there, says Gerard Murray, Deloitte CE CFO, DCE BSC Sponsoring Partner. We are happy that by opening the new center and developing our Business Services Center we are contributing to the development of the whole Podkarpackie Region, he adds.*

The role of the newly established Audit Delivery Center for Central Europe will be to support audit teams across Central Europe in performing audit work which will include data analysis, statistical sampling for
