

## E-transport

Unlock Efficiency and Compliance with  
Deloitte D.Tax RO e-Transport

# What is **RO e-Transport**?

## The RO e-Transport System

RO e-transport system monitors the domestic road transport of goods with high fiscal risk as well as the international road transport of all types of goods.

Each road transport of goods meeting the above definition and certain conditions should be accompanied by UIT(s).

## Timelines and fines

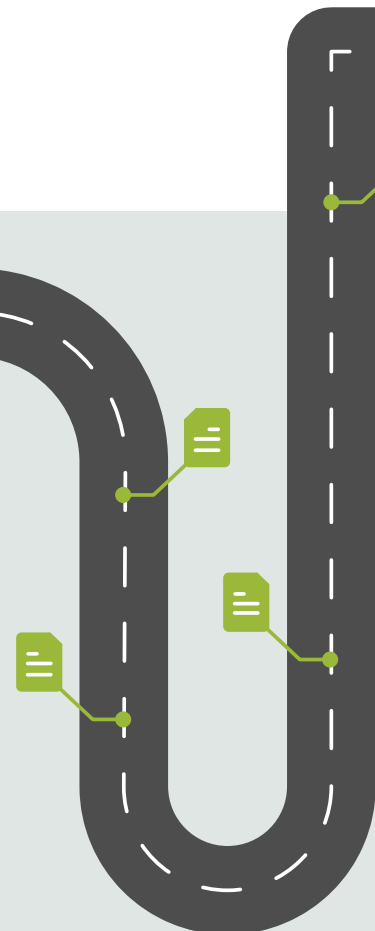

- **Starting with 1st of July 2022** – mandatory reporting of road transports on the national territory of **high fiscal risk products**.
- **Starting with 1st of January 2023** – incorrect/incomplete/late reporting or no reporting of high fiscal risk products in RO e-transport can be sanctioned with **fines** that can go **up to EUR 20k plus seizure** of the **value of the goods**.
- **15th of December 2023** – in addition to the transactions in scope as of 1st of July 2022, the **international road transport of all types of goods** are included in the scope of RO e-transport .
- There is a grace period until 30th of June 2024 – no fine applies for international road transport of goods.
- **Starting with 1st of July 2024** – **fines** similar with the ones introduced for **high fiscal risk products** will apply in case of international road transport of all types of goods for incorrect/incomplete/late reporting or no reporting.

## D.Tax RO e-Transport Your Reporting Solution

**D.Tax RO e-transport** will equip your operational teams with meaningful insights, providing a sophisticated system that not only assists in properly filling in the data needed for RO e-transport purposes, but also enables an efficient communication with the transporter's team.

**D.Tax RO e-transport** goes beyond merely gathering data and ticking boxes. It is a collaborative platform crafted to streamline the critical facets of real time data reporting and integrates a network of alerts and triggers which helps to avoid fines.

# Why choose D.Tax RO e-Transport:

**Effortless data harmonization:** merge data seamlessly for accurate reporting, from multiple sources like transport/logistics companies and in-house systems, while ensuring confidentiality;

**Tailored access control:** grant precise access based on roles, enhancing efficiency while maintaining data integrity;

**Automated reporting redefined:** through API connection, saving time, and meeting deadlines effortlessly;

**Real-time insights, informed decisions:** monitor compliance status with a real-time dashboard for actionable insights;

**Rapid onboarding, seamless integration,** intuitively user-friendly, boosting productivity from the get-go;

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited ("DTTL"), its global network of member firms, and their related entities (collectively, the "Deloitte organization"). DTTL (also referred to as "Deloitte Global") and each of its member firms and related entities are legally separate and independent entities, which cannot obligate or bind each other in respect of third parties. DTTL and each DTTL member firm and related entity is liable only for its own acts and omissions, and not those of each other. DTTL does not provide services to clients. Please see [www.deloitte.com/about](http://www.deloitte.com/about) to learn more.

Deloitte provides industry-leading audit and assurance, tax and legal, consulting, financial advisory, and risk advisory services to nearly 90% of the Fortune Global 500® and thousands of private companies. The firm's professionals deliver measurable and lasting results that help reinforce public trust in capital markets, enable clients to transform and thrive, and lead the way toward a stronger economy, a more equitable society and a sustainable world. Building on its 175-plus year history, Deloitte spans more than 150 countries and territories. Learn how Deloitte's approximately 457,000 people make an impact that matters at [www.deloitte.com](http://www.deloitte.com).
