Negative media publications about Deloitte CIS

Moscow, 28 April 2017 – Deloitte CIS has become aware that a number of web services and social media have published negative and defamatory articles about our business and our management in the CIS.

Deloitte CIS herewith confirms that the information featured in these publications regarding Deloitte’s operations in both Russia and Kazakhstan is incorrect and false. It is defamatory in nature and, we believe, has its origins in unsubstantiated allegations made by a former employee of a Deloitte entity in Russia.
