

Senior Consultant talent standard

Consulting Technology – Analytics & Information Management (AIM)

Building a *globally uniform level of quality and capability* in our core services so that our clients experience a *consistent, exceptional Deloitte* is critical to become the undisputed leader in professional services. The following standard defines the capabilities required at the Senior Consultant level for our Consulting AIM service line.

Leadership capabilities

We expect practitioners at all levels to embrace and live our purpose by challenging themselves to identify issues that are most important for our clients, our people, and for society and *make an impact that matters*. There are five Leadership capabilities that we require from all Senior Consultants across the network, regardless of service line. Behavioral anchors for each capability are described below.

Capability	Description	Behavioral anchors
Living Our Purpose	Identifies and embraces our purpose and values and puts these into practice in their professional life	<ul style="list-style-type: none"> Lives our values and challenges others to do the same Demonstrates personal commitment to raising the bar and making an impact that matters Encourages others to find opportunities for impact; sets the pace for junior staff and peers
Talent Development	Develops self by actively seeking opportunities for growth, shares knowledge and experiences with others, and acts as a strong brand ambassador	<ul style="list-style-type: none"> Shares knowledge and experiences to support the development of peers and junior practitioners Actively seeks challenges and opportunities to build on existing strengths, develop new capabilities and learn from others Acts as a strong brand ambassador, participating in formal and informal activities focused on bringing top talent to Deloitte
Performance Drive	Seeks opportunities to challenge self; teams with others across businesses and borders to deliver and takes accountability for own and team results	<ul style="list-style-type: none"> Draws on own and others' strengths to meet personal and team objectives Collaborates within and across businesses and borders Monitors own results against objectives and seeks feedback to identify ways to improve personal and team performance
Influence	Builds relationships and communicates effectively in order to positively influence peers and other stakeholders	<ul style="list-style-type: none"> Relates effectively to people across all levels, including leaders, peers, and clients Asks insightful and provocative questions to understand the diverse views, interests and expectations of key stakeholders Adjusts communication style based on the audience in order to have maximum impact
Strategic Direction	Understands objectives for clients and Deloitte, aligns own work to objectives and sets personal priorities	<ul style="list-style-type: none"> Understands client and Deloitte objectives and takes personal accountability for aligning own work Communicates broader business objectives and desired outcomes to guide the work of others
