

Senior Manager talent standard

Global Risk Advisory Strategic Risk – Corporate Governance

Building a *globally uniform level of quality and capability* in our core services so that our clients experience a *consistent, exceptional Deloitte* is critical to become the undisputed leader in professional services. The following standard defines the capabilities required at the Senior Manager level for our Corporate Governance service.

Leadership capabilities

We expect practitioners at all levels to embrace and live our purpose by challenging themselves to identify issues that are most important for our clients, our people, and for society and *make an impact that matters*. There are seven Leadership capabilities that we require from all Senior Managers across the organization regardless of service. Behavioral anchors for each capability are described below.
