

Consultant talent standard

Global Risk Advisory

Financial Risk – Capital Management, Liquidity & Treasury Risk

Building a *globally uniform level of quality and capability* in our core services so that our clients experience a *consistent, exceptional Deloitte* is critical to become the undisputed leader in professional services. The following standard defines the capabilities required at the Consultant level for our Capital Management, Liquidity & Treasury Risk service.

Leadership capabilities

We expect practitioners at all levels to embrace and live our purpose by challenging themselves to identify issues that are most important for our clients, our people, and for society and *make an impact that matters*. There are five Leadership capabilities that we require from all Consultants across the organization, regardless of service. Behavioral anchors for each capability are described below.
