Introduction

Last week the UK Government published the changes to the Tier 1 (Investor) visa route. The minimum financial threshold for investments has been raised to £2 million. The changes will come into force on 6 November 2014 and will only apply to applications made on or after that date. They will not apply to existing holders of this visa, who will continue to need to invest £1 million.

If you need our assistance in this matter, please let us know.
