Announcement

Online diagnostics for the applicability of the legislation on deoffshorisation and CFCs

Deloitte is unveiling a new service for a wide range of users, both individuals and legal entities: a free [online diagnostic tool](#) for the applicability of the legislation on deoffshorisation and controlled foreign companies (CFCs). The tool is currently available in Russian, the English interface will follow.

After answering a number of questions, you will find out about the extent to which the legislation on CFCs affects your activities as an individual or a legal entity and about what steps to take in the immediate future if you face the risk of being recognised as a controlling person/entity.

If you have any questions related to participation in foreign organisations, please get in contact with Deloitte's experts:
