Russia initiates development of draft laws on automatic exchange of tax information with foreign countries

The Russian Ministry of Finance is working on a number of draft laws that would provide a mechanism for the automatic exchange of information in tax matters with foreign competent authorities under the OECD's Common Reporting Standard (CRS).

Currently, the draft laws are undergoing public hearings which will continue until 2 August 2016 inclusive.

The text of the draft laws has not yet been officially published.

Draft model charter for limited liability companies

The Russian Ministry of Economic Development published a draft order that would approve a model charter for limited liability companies.

Please note that Federal Law No. 209-FZ of 29 June 2015 permitted limited liability companies to operate under a model charter approved by a competent authority.

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee, and its network of member firms, each of which is a legally separate and independent entity.
