### **Conditions and procedure for acquiring the status of an industrial park by enterprises registered in Moscow approved**

The Moscow City Government has passed a resolution that introduces amendments to [Resolution](#) of the Moscow City Government No. 38-PP dated 11 February 2016 “On Implementation of the Industrial and Investment Policy in the City of Moscow” approving the procedure for acquiring the status of an industrial park by effectively operating companies.

In particular, the resolution sets a number of economic criteria that an industrial park must meet, including payroll (no less than RUR 100 million per 1 ha), volume of investment (no less than RUR 150 million per 1 ha in a 5-year period), revenues (no less than RUR 450 million per 1 ha a year) and average salary (approximately RUR 56,000).

The text of the resolution has not yet been published officially.

### **Easing of the requirements regarding standalone divisions for residents of technological and industrial parks and anchor residents proposed**

The Moscow City Duma has published a draft law that suggests more specific requirements regarding standalone divisions for residents of technological and industrial parks, as well as anchor residents. In particular, the draft law stipulates that these entities shall not have standalone divisions outside Moscow (the current version of the law prohibits such standalone divisions outside the area of the respective industrial or technological parks).

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee, and its network of member firms, each of which is a legally separate and independent entity.
