

# Identity Services by Deloitte

## From start to future.

Let Deloitte handle all your digital identity needs. We bring together experienced identity specialists, market-leading technology, and proven processes to provide a trusted way to advise, implement and operate identity services across your entire organization.

## Over coming challenges with business value

Everything you need to manage the entire identity lifecycle under one umbrella:

- Enhance business control and regulatory compliance, with real-time automated system access and associated data reports that improve governance and privacy, while reducing audit exposure.
- Operational and cost efficiencies with centralized governance and automated processes for new joiners, movers, and leavers, along with secure administrative access.
- Improved user experiences, brand affinity, and revenue that come from providing higher levels of authentication assurance, data security, and trust.
- Increased visibility over excessive/exceptional access and insights into privileged access.
- Accelerated digital transformation, with jumpstart kits to reach steady state quickly, for faster time to value and unnecessary spending reduced.

## Our Team

- Highly skilled identity professionals who advise, implement, and operate
- 15+ Identity Specialist operating across Nordics
