

Deloitte.

Address systems complexity, simplify business processes, enable scalability and support future growth by tapping into the greater potential of cloud-enabled solutions

Moving to SAP S/4HANA Public Cloud

Full-service capabilities to support end-to-end transformation and the built-to-evolve enterprise

Cloud has become essential to building a business edge, with solutions such as SAP S/4HANA Public Cloud supporting rapid innovation, improved business insights, and increased information transparency. Deloitte's can serve as a single source of the solutions and services you need for your SAP S/4HANA Public Cloud journey—covering end-to-end transformation needs from vision, strategy, and business case development to technology implementation to ongoing operate services and support.

As a leading global SAP partner, Deloitte can help you simplify the SAP S/4HANA Public Cloud journey, reduce risks, and improve transformation outcomes—with a proven methodology and extensive track record with the solution, which includes more than 50 global projects as well as use of SAP S/4HANA Public Cloud within our own organization.

Underlying Deloitte's offerings for SAP S/4HANA Public Cloud—a focus on helping clients prepare for future growth and activate the built-to-evolve Kinetic Enterprise™, a built-to-evolve organization that can run flexibly using a clean core, responsive cloud technologies, and intelligent capabilities.

Key capabilities:

- A full-service approach and multidisciplinary model that provides support throughout the cloud journey with SAP S/4HANA
- Industry-focused solutions that can be tailored for specific enterprise needs and business outcomes
- Deep SAP experience, proprietary accelerators, and extensive business + technical knowledge
- Proven capabilities and leading practices for integrating SAP S/4HANA with the broader SAP cloud suite

Potential benefits

Simplify the SAP S/4HANA Public Cloud journey with a single source for your needs

Reduce transformation risks while improving delivery quality and outcomes

Gain speed to value, moving to SAP S/4HANA in as little as 25 weeks

Transform with an approach tailored to your organization's specific needs

Increase business flexibility and innovate with greater agility

Extend your core transformation to seamlessly include the broader SAP cloud

Accommodate future business growth and the specific requirements of subsidiaries

Why Deloitte?

An unmatched track record of success, with the greatest number of SAP S/4HANA Public Cloud implementations completed—more than 50 to date—providing Deloitte with extensive experience, including in two-tier implementations

More than three decades of experience collaborating with SAP, contributing extensively to SAP S/4HANA functionality

Deep experience with SAP Business Technology Platform and the full SAP cloud suite

Global delivery capabilities across the advise-implement-operate spectrum, provided through an agile “small teams” approach

Numerous SAP Pinnacle Awards—SAP's top honor—as SAP S/4HANA Partner of the Year

Industry-specific knowhow, leading practices, and transformation accelerators that allow you to minimize risks, compress timelines, and see a bigger business impact

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited (“DTTL”), its global network of member firms, and their related entities (collectively, the “Deloitte organization”). DTTL (also referred to as “Deloitte Global”) and each of its member firms and related entities are legally separate and independent entities, which cannot obligate or bind each other in respect of third parties. DTTL and each DTTL member firm and related entity is liable only for its own acts and omissions, and not those of each other. DTTL does not provide services to clients.
