

# HELPING YOU TO MAXIMISE OPPORTUNITIES IN MYANMAR

**M**yanmar has become a hot spot for investors as she opens up to the world after a series of economic, political and social transformations. With the recent lifting of sanctions, more and more organisations are showing interest in investing in this resource-rich country which is strategically located between China, India, Bangladesh, Laos and Thailand. With a population of more than 60 million people with a literacy rate of 94%, there is no doubt that Myanmar presents many attractive opportunities.

However, doing business in this fast developing country also comes with financial, legal and regulatory challenges and potential investors often need assistance in navigating the business environment in Myanmar.

## INNOVATIVE SOLUTIONS TO HELP YOU EXCEL
