Deloitte Ignite: Powering Performance

Being an elite athlete takes hard work, commitment and sacrifice – a dedication and focus that can sometimes mean that other important things, like your studies and your career, may have to take a backseat. At Deloitte, we understand the challenges faced by our Team Singapore athletes in balancing their sporting endeavours with the need to gain valuable work experience and to develop their career opportunities to provide for a promising future after sport.

With that in mind, we created Deloitte Ignite – a special program for elite athletes, both current and retired, that offers flexible internship and employment opportunities with the world's largest professional services organisation.

Through Deloitte Ignite, you can explore career opportunities in Audit & Assurance, Tax & Legal, Consulting, Financial Advisory, Risk Advisory, Marketing, Communications, Human Resources and many other areas – either full-time, part-time or through internships.

“Deloitte offers
challenging work as
well as the flexibility
to pursue my sporting
inspirations.”

By joining Deloitte, a spexBusiness network partner of Sport Singapore and the Official Professional Services Partner of the Youth Olympic Games in 2010, 28th Southeast Asian Games and the 8th ASEAN PARA Games in 2015, you can be sure that your employer understands your priorities and stands ready to support you.

Every athlete dreams of competing at the highest level and winning a championship; but after years of blood, sweat and tears, you may only get one chance to make that dream come true. Deloitte is committed to helping our Team Singapore athletes balance their sporting and work careers to help you reach your goals and fulfil your potential.

“I keep my head high, and keep on fighting for my dreams no matter what.”

Working with Deloitte

You've worked hard to get to where you are today. No, we're not talking about your sporting success – we're talking about all the studying and exams that now give you employment opportunities with some of Singapore's leading companies. So what career path will you take? Which industry will you choose? What kind of company do you want to work for?

Deloitte is a dynamic organisation – every year we hire over 200 fresh graduates in Singapore and many more experienced hires. We offer challenging work, merit-based career paths, world-class learning and development, and leadership opportunities. Interning with Deloitte

Haven't graduated yet? Or haven't decided on your career path? At Deloitte, we take in hundreds of paid interns every year to give them experience of working in their chosen areas before they commit to their career. Even if they don't ultimately join Deloitte, the experience they gain helps them better understand their options and provides a great reference for their CV.

Although intern positions in certain departments are available throughout the year, the main intakes are the summer (with various timings between May-August every year) and winter (December-February) internships. These are available to any university student – whether studying in Singapore or overseas – with relevant degrees, regardless of which year of study you are in.

As well as gaining work experience, you will also get a feel for the culture and environment of the firm – a kind of ‘free sample’ of what it is like to work in Deloitte and the kind of people you will work alongside. Depending on the timing of your internship, you will also have the chance to take part in a variety of activities outside work, including volunteer initiatives, sporting activities, staff parties and team-buildings.

Our recent interns included elite swimmers, sailors, shooters, dragon boaters, basketball, softball and floorball players and runners – all of whom gained valuable work experience, and many of whom have now decided to come back and join Deloitte full-time after their graduation. Still undecided on your career choice or want to gain more experience before you graduate? Come spend a few months with us and ignite your career.

Life at Deloitte

At Deloitte, we believe in giving you the chance to define your career, your way. Beyond the day-to-day work, you can choose to join volunteering programs, play sports and meet like-minded people in our interest clubs. We believe in giving you the opportunity to shine – so we always ask our people: 'What's your Deloitte?'

Whether you are having fun at our annual year-end party, 'Carnival' family day or taking part in our Inter-Departmental Games, you will surely meet new people. For athletes, you can also take part in the annual ISCA Games through our more than 20 firm-sponsored sports teams.

We even send teams to take part in international competitions – like when our men’s and ladies’ soccer teams travelled to Prague, Czech Republic, in May 2014 and 2019 to take part in Deloitte’s annual international soccer tournament with 60 other Deloitte teams. Our ladies’ soccer team also competes in the Womens’ Phuket International Soccer 7s every year.

As part of our commitment to Singapore, Deloitte is proud to partner with a number of community causes – contributing our time, expertise and financial support to help bring to life the dreams of the less privileged in society. We provide support to numerous charities including Singapore Disability Sports Council, AWWA, Metta Welfare Association, Northlight School and the elderly at Tung Ling Community Services. One of our Deloitte partners – James Walton, together with Team Singapore Sprinter Dipna Lim-Prasad – also co-founded a charity movement called In My Shoes, to provide opportunities for children to play sports, live an active lifestyle and position them for success later in life.

This is our Deloitte. What’s yours?
